VILLA CASA

A stone sculpture of a woman with a large, ornate headdress, set against a background of lush greenery and a blurred building. The sculpture is the central focus, showing a woman's head and upper torso. She has a large, textured headdress that covers her head and shoulders. The background is filled with green plants and a blurred building, suggesting an outdoor setting. The text "VILLA & CASA" is overlaid on the image in a light, semi-transparent font.
